- Lightweight

ABEC 1 Bearings & Rollers for low friction, quiet, smooth motion

"LM76's Simple Slider makes mini-dolly moves super easy! Fantastic!"
Mike Goulston - The Camera Company

"This is exactly what I was looking for... an easy way to make depth of field movements with a slider I can pack in my travel bag."
Mark - Del Padre Digital

"This Simple Slider works great with our Cannon 7D. We move in and out of shots easily, smoothly and quietly. Best slider investment I've made."
Mike Quinn - Quinn Design

Great for DSLR Camera's like the Cannon EOS 7D!
